

The Spa & Salon at Garden of the Gods Club

To prepare for your very special day, please plan to visit our full service Spa and Salon. Help everyone relax before the big event by getting a massage and/or facial therapy, give the entire wedding party a special treat with a manicure and pedicure, then let our salon technicians take over with hair cuts, styling and make-up.

We specialize in air brush make-up, body polishing, acrylic nails, eyelash extensions, and hair extensions. These services will give the bride that special glow and enhance the bridesmaids' appearance. The groom and groomsmen can also enjoy a calming 60 minute massage or an old fashioned hot lather shave prior to the big event.
